Match Report U12 Poole League

Saturday 13th Jan 2018

The first fixture back after the Christmas break and the weather was dry and not too cold.
Our first match was against Verwood, the girls started very strongly with good passing through the court, it took a while for the shooters to get their eye in but once they settled the goals kept coming. The defence played a big part as well by making numerous interceptions and turn-overs, the game finished with a 16-0 win.

In the second match, we played Poole Ambers who we lost to in the first half of the season by one goal so the team were keen to get a win. The match started slowly with both teams defencing well and it took a while before the first goal was scored, we were 3-1 up at half time but Poole raised their game to draw level, our shooters had lots of chances to score but sadly did not convert and Poole went ahead. Grace and Jemima worked really hard in the circle and got a couple of turn overs which we scored from, the match finished in a draw 5-5.
