Friendly Matches Report 21st Jan 2018 at Chafyn Grove

Sadly, due to bad weather the U12's match was cancelled and the High 5 and U15's match was played indoors.

Our High Fives were down to just the 5 players due to illness, but they played extremely well not scoring many goals but playing well together and passing the ball through the court with some lovely shoulder passes. They played two matches against Spire Reds and then Gomeldon Primary school.
Natasha Hirst got Players Player for both matches – Well Done
Blue Jays v Spire Reds 1- 4
Blue Jays v Gomeldon 1-5
Spire Reds v Gomeldon 0-1

Blue Jays v Spire Reds, the game started well with both teams scoring from their centre passes and moving quickly thought the court. Sophie & Eleanor in defence worked well together getting many tips and interceptions and we went ahead by 3 goals at 3/4 time, but Spire got a couple of turn overs in the last quarter which they scored from to draw the match 12-12, we were down to the last minute and Spire scored from their centre to go one ahead, now it was down to Blue Jays to score from theirs but sadly the ball was turned over in the last few seconds and we didn't have enough time to recover.
Great game well done everyone.

Spire Reds 13 Blue Jays 12
Blue Jays Players Player - Alice Scarr
