

## Match Report – Poole League U12 18<sup>th</sup> Nov 2017

The rain held off for the girls this week, but their parents looked cold standing on the side line. The first match was played against NDNC Blizzard with good spirit and attitude and the score reflected how even the teams were matched. The girls made some very promising moves up the court and into the shooting circle. The transition from high five to seven aside with putting pressure on the opposition's passes is something that needs improving. The girls play "nicely", the buzz word has got to be "aggressively". The second match verses Poole Opals was equally evenly skilled. Our two shooting players were swapped over and this improved the feeds into the circle. All the girls played well but the pl pl and coached player, game 1, was Jemima.

Match v NDNC Blizzard lost 5-6

Players Player – Jemima

Coaches Player – Jemima

Match v Poole Opals lost -7

Players Player – Lottie

Coaches Player – Gabby
