

## Blue Jays High Five Tournament May 2016

For the last two years we have been unable to accommodate high fives in our annual junior tournament due to the number of courts available to us, therefore we decided to organize one in May this year.

Happily, it was a great success ,14 teams entered from clubs in Wiltshire, Hampshire, Dorset & Berkshire, the netball was of a very high standard and everyone had a very enjoyable day even though the weather was wet at times.

Blue Jays having just introduced a High Five Section within the club this season, entered one team, this was their first tournament and a great learning curve for them, all players loved the competition and we look forward to developing our high five section throughout the coming season

Blue Jays High Five Team

There were two groups of seven with semi's and a final, the top two teams in Group A were, Newbury Blue and Spire Cream and in Group B, Spire Ice and Chippenham, very well done to Spire Reds for getting two teams to the semi's. Both semis were close with all teams playing very controlled netball.

The Final was played between Spire Cream and Newbury Blue who pulled away in the first few minutes scoring straight away, Spire Cream worked hard to level the score but sadly could not match the brilliant flat passes into space by Newbury, well done to both teams.

Winner – Newbury Blue

R/Ups – Spire Cream

Winners 2016 - Newbury Blue

R/Ups 2016 – Spire Cream
