

Presentation Evening Tuesday 16th May 2023

We started the evening with a fun versatility tournament, the Bees and the U12's played together first, and all other groups played later, everyone had a great time.

Trophies for the season were presented afterwards, a huge congratulations to all winners who have achieved so much this season.

Gift vouchers were given to our 3 volunteer trainee umpires who umpired at the Junior League on Sunday mornings, Grace, Jane, and Isla.

A big thank you to our committee and all our volunteers who have worked so hard this season, and all is now looking good to continue next season with new coaches in training and two county coaches supporting them at the beginning of the next season until they are qualified.

Results as follows: -
