

Blue Jays U12's R/up at Bournemouth Tournament

U12's team attended the Bournemouth Junior Netball Tournament on Sunday 9th June 2019, it was a beautiful day and the tournament was very well organised.

With squad of eight, three year 6's and five year 7's the girls played really well, there was

four matches before lunch against, Bournemouth Roses, Bournemouth Poppies, Wimborne A and Lawn, and we won all four.

Sadly, after lunch we came up against Bournemouth Daisies and we were very slow to get started and were down by 6 goals by half time, we picked up in the second half but by then it was too late, and we lost 3-9.

We had three more matches against, Hoops, Lymington and NDNC Typhoons and won all three, they were tighter games, but we raised our game to get the win.

As this group played a Round-Robin Competition there was no semi or final just the top two teams getting medals.

We won the r/up medal by only losing to the winners, Bournemouth Daises.

Well done and well played girls, all looks good for next season.
